

HONORABLE MENTION

SURGERY

- Edith and Brenda were just wonderful. I had one or both the whole time before and after surgery. Excellent care.
- All involved were so nice. They told me step by step of the procedure and I felt very informed. Edith Clayton took very good care of me.

EMERGENCY DEPARTMENT

- Very impressed with Dr. Knight's and Tracy Porkony's compassion and professionalism. We felt everything that could be done was done to save my mother. They were very kind and sympathetic as we dealt try to with our shock and grief.
- Dr. Peterson was excellent.
- Wilma and Wendy took great care of me. They checked in with me frequently and made sure I was okay.
- Dr. Audra is a great doctor. She was very thorough and explained everything.
- Shannon and Cara did great jobs. They explained the procedures and made sure I was comfortable.
- Olivia was friendly and got me checked right in
-

INPATIENT

- Hilda did a great job of giving me information before my arrival, during my stay and follow-up call after leaving the hospital.
- Kathleen did an amazing job.
- Jill was a pleasure on the phone and when she delivered the food.
- Donna was exceptional, especially during challenges of pain and body functions. She also brought a heart of caring and that is difficult to find today.
- Margie was assigned to me less than Donna but also brought her knowledge forward with care I will never forget.
