OUTPATIENT

- Abbie at registration is always friendly and helpful.
- Kirby's the best! So is their branch at Atwood Clinic. New lady there is wonderful. Her name is Megan. I drive almost 50 miles (round) to go to them, because they care!
- The receptionist and Seth were very professional and easy to work with. Seth was professional, informative, and attentive.
- I walked in and was registered and DONE with labs in less than 20 minutes. Phlebotomist Annie is excellent at her craft. If I had been asleep I wouldn't have woken when the needle went in.
- Megan was wonderful! Such an asset to this organization.
- Annie and Cindy were excellent. I brought my 18 month old son and they got him in 1 stick - no fishing. Very patient and reassuring. Very professional!!
